

INFORMATION REGARDING COVID 19 ON BOARD MY CHARLOTTE

MY Charlotte has been granted the Covid 19 Health Certificate from the Egyptian Authorities.

All guests must have documentary proof of a Negative Covid 19 test (tested within 72 hrs of take off). If this is not possible you will be able to get a test at Hurghada \$30 but must remain in quarantine until the results come through. Mask must be worn for the transfer to MY Charlotte.

Please check with your airline operator for their specific guidance / rules.

Paul Cooper owner of MY Charlotte (Bavaria Blue Safaris) has a great reputation for pulling out all stops to make sure that his guests have a fantastic diving holiday. Paul will be on Charlotte to make sure that the normal high standard of hygiene continues along with ALL safety standards required for Covid 19. Before every trip the boat will have been deep cleaned / steam cleaned so you will be boarding a sterile environment. The crew will also have been tested negative for the virus by the Egyptian Authorities otherwise they would not have a 'ticket' to work on any boat.

Other important health related features

- Boat occupancy has been reduced by 50%, 12 guests max. - more space on the dive deck etc
- Everyone will have a temperature check each morning which will be logged
- 2 cabins have been set aside for Quarantine purposes should the need arise, each supplied with O2
- Mattresses are fitted with a special undersheet which will prevent Covid 19 contamination
- Salon – social distancing marking for meal times
- Flexible meal times / sittings if necessary
- All cabins are available for maximum 2 guests, single occupancy is available at the usual rates.

Cabins 10 and 11 upstairs are available but subject to extra charge.

Single +70% of safari price or twin £70 per person.

(Please understand there is no exception to this even if they stay empty for the trips).
